### Concord College

Shropshire, UK

- GCE A Levels: History (A\*), Geography (A\*), Economics (A\*), and Mathematics (A\*)

Sep 2019 - Jun 2021

## WORK EXPERIENCE

### Deloitte LLP UK

London, UK

Secondee, Mid-Market Deal Origination

Mar 2026 - Aug 2026

- Designed and piloted a bolt-on search offering for PE clients' portfolio firms, scoping the proposition, testing the process, and developing a strategy deck for internal pitching
- Evaluated 100+ businesses across Business Services, Healthcare & Life Sciences, and Technology, assessed AI resilience and identified AI transformational opportunities for each sub-sector
- Produced 5 insight decks by analysing business models and mapping service offerings to identify key growth drivers and risks

### Deloitte LLP UK

London, UK

Consultant, Mergers and Acquisitions Tax (Due diligence & commercial analysis)

Sep 2024 - Present

- Conducted management interviews to understand target company's operations, risk, and organisational dynamics; synthesising qualitative and quantitative findings into structured reports across 15+ M&A transactions
- Spearheaded the M&A Forum end-to-end, designing the event structure, agenda, and content including an opening quiz, tailoring the experience for a student audience and collaborating with 7 Directors and ADs to shape their presentations
- Analysed infrastructure-sector targets by evaluating revenue quality, profitability, and market differentiators to select the most appropriate valuation methodology across debt financing cases

### Teneo (Global CEO Advisory)

Beijing, China

Consulting Intern, Strategy & Communications

Aug 2023 - Sep 2023

- Conducted stakeholder mapping and built media narratives to develop crisis communications strategy for C-suite executives in APAC for a multinational clothing company
- Assessed 12-month media presence for 3 software and fashion clients and created bid proposals to secure C-suite communication strategy projects as the first ever intern at the Beijing Office

### Globalfields (Environmental Consultancy)

London, UK

Consulting Intern

Jun 2022 - Aug 2022

- Evaluated Globalfields' services and internal operations against the five B Corp impact areas and benchmarked 17 certified environmental consultancies to develop a roadmap of transformation opportunities to support their certification journey

## CONSULTING AND ENTREPRENEURIAL EXPERIENCE

### Yumm Singa (Singaporean Cooking Sauce Startup)

London, UK

Pro-bono Consultant

May 2026 - Present

- Designed and optimised retailer sales strategy by developing Gen-AI enabled research templates and persona-informed one-pager branding sheets; interviewed purchasing managers and employees during in-person store visits

### Cambridge Collaborative Ventures (Growth Consultancy)

London, UK

Pro-bono Consultant

Jun 2025 - Jan 2026

- Redesigned the company's service offerings into three core segments through co-design workshops and brainstorming sessions with the founder, competitor analysis, and client research; outputs were incorporated directly into the company's pitch deck

### London Strategic Consulting (Student-run Consultancy)

London, UK

Managing Director

Jun 2022 - Apr 2024

- Led the largest London-based student consultancy (1,000+ applicants p.a.); sourced and pitched to 40+ SME and start-up prospects, scoping projects through discovery calls and increasing client conversion by 20%
- Mapped an end-to-end customer journey for a B2B client's China to UK supply chain; designing tailored operational solutions to address pain points across customs clearance, shipping, and warehousing for different product types
- Designed and facilitated problem-structuring and strategy consulting workshops for 200+ consultants
